

637 Instrumentcase

Small but durable, the **Instrument case** is equally suited to carrying fragile demonstrator kits, samples or supplies of any kind. It comes standard with nylon latches and metal core hinges.

Also, a custom-fitted 'pick and pluck' foam insert is supplied for this product. 'Pick and pluck' means that you can pick the amount of foam you want removed from the case to suit your purposes, and pluck them out yourself in 1 inch square foam cubes.

Standard features: Sturdy nylon latches, metal core hinges.

Material: Polypropylene

Unit weight: 1.0 lbs (0.45 kg)

Outside dimensions: 3.5" x 7.25" x 10"

Interior net usable space: 3.25" x 6.5" x 9"
