

106-CLIP-ON BINOCULAR MAGNIFIER

The Donegan Clip-On Binocular Magnifier is ideal for small tasks that require hands to be free. Easily clips onto most eyeglass frames or can be used with comfortable binocular frame. Easily pivots up when magnification is not needed.

Special Features

- Dual lens system designed to ease eyestrain by convergence on focal point.
- Lightweight frame easily clips onto most eyeglasses or can be used with convenient binocular frame.
- Ideal for reading fine print, sewing, art projects, fly tying etc.
- Easily flips up for normal viewing and down when magnification is preferred.
- Relieves eye strain and increases accuracy
- Hands free magnification for many small tasks.

Available in a variety of powers and focal lengths as shown on chart below

Model #	Magnification	Focal Length
106-CO3	1 3/4 Times	14 Inches
106-CO4	2 Times	10 Inches
